a **marcusevans** event

Berjaya Times Square Convention Centre,
Kuala Lumpur, Malaysia

27th - 29th March 2007

"The mantra of any good security engineer is: 'Security is not a product, but a process.' It's more than designing strong cryptography into a system; it's designing the entire system such that all security measures, including cryptography, work together."

Bruce Schneier

"Battling security breaches with the right weapon-architecture and knowledge"
